

Play with Alphabet

Tahamina Rahman

About the Series

Play with Alphabet Series is an innovative way to introduce alphabets to children. It's a super fun series for children. Each page has some interesting activities that children can engage to learn the alphabet better. Through various classic games and activities like maze, drawing and brain games the series also helps children to develop creativity and problem-solving skills.

Adult supervision is needed in some pages initially. But after few pages, the children can work themselves.

There are 8 books in this series. This book covers alphabet from A to C.

বই সম্পর্কে দুটি কথা

Play with Alphabet সিরিজটিতে খুব সৃজনশীল উপায়ে শিশুদের কাছে ইংরেজি বর্ণমালাকে তুলে ধরা হয়েছে। সিরিজটি শিশুদের কাছে খুবই মজার। প্রতিটি পাতায় বিভিন্ন ইন্টারেস্টিং একটিভিটি রাখা হয়েছে শিশুদের আকৃষ্ট করার জন্য। ধাঁধা, ছবি আঁকা, মস্তিষ্কের খেলা দিয়ে প্রতিটি পাতাকে সাজানো হয়েছে এমনভাবে যেন শিশুরা সৃজনশীলতা এবং সমস্যা সমাধানের দক্ষতাও বাড়াতে পারে। প্রথম দিকে কিছুটা বড়দের সাহায্য লাগবে। কিন্তু পরবর্তীতে শিশুরা নিজেরাই বইটি দিয়ে কাজ করতে পারবে

মোট ৮ টি বই আছে এই সিরিজে। এই বইয়ে A থেকে C পর্যন্ত আছে।

In this book, we will learn about 3 letters.
