# Goofi Series: Emotional Intelligence

## About the Content

There are many contents that help children to develop their emotional intelligence. But most of the content make with emoji. This is an interesting content which has been made to help children to think the emotional situation by the materials of classroom. The content is designed in the classroom situation based which favors children to combine the materials of classroom with emotions. Students pass most of their time in the classroom. So they are closely attached in the elements of classroom. Finally, this content will enhance children's emotional intelligence skill which helps them to collaborate their emotions with object.

## About goofi

Goofi is a global platform for young children to develop their future skills like creativity, emotional intelligence and moral values. Our formal education system is failing to nurture the potential of our future generation. Goofi is on a mission to give the power back to parents and teachers with amazing resources and tools so that they can help their children to unleash their creative potential.
