Goofi Series: Problem Solving & Creativity

About the Content

Creativity is a skill that should be enhanced among children in the early age. Shape games is one of the most interesting way to make children more creative. This content is designed to make children play with different shapes and have fun in creating new one. This content will raise children's creativity when they merge basic shapes to form new one without adult supervision.

About goofi

Goofi is a global platform for young children to develop their future skills like creativity, emotional intelligence and moral values. Goofi is on a mission to give the power back to parents and teachers with amazing resources and tools so that they can help their children to unleash their creative potential.
